

Dial A Geek Referral Scheme

In order to show our appreciation, as well as to incentivise people to referring our services to other companies, we created an official Dial A Geek Referral Scheme.

Referral criteria

The Referral Scheme covers only referrals of Managed Services clients. Any other referrals (e.g., broadband connections) do not fall under this scheme (however we'd still like to show our appreciation for those – but the way we do it is at our discretion).

The Referral Scheme covers only successful sales, meaning those when the referred client signed a Managed Service contract with Dial A Geek.

We are currently targeting businesses with a minimum of 20 staff.

Time scale

The reward must be delivered within 40 days of signing the referred client, unless delays are caused by the referrer (e.g. Dial A Geek waiting for a confirmation on the charity).

If the referrer does not inform Dial A Geek which reward they'd like within 3 calendar months of making the sale, Dial A Geek reserve the right to donate £400 to a charity of their choice instead.

Reward value

We offer four different rewards to choose from:

- A Tech gadget – PlayStation 5 or Xbox series X
- Healthy lifestyle – a yearly membership to Bannatyne Health Club
- Shop locally – a package of 3 x £100 vouchers to spend with Bristol-based businesses (Prior, Wild Oats, Stokes Croft China) + a 7-course set menu dinner for 2 at Tare
- A £400 charity donation to a charity of your choice – alternatively, Dial A Geek can suggest a charity.

When you refer a company to us, email office@dialageek.co.uk and let us know the name of the person and company you've sent our way.
